

Stillwater Outfitters

SUMMER 2008

Stillwater & T & G Join Forces

The biggest news of the summer is a done deal...Stillwater Outfitters and T&G Outdoors have combined forces to become the largest & strongest waterfowl hunting operation in the western United States. Travis Reininger a native resident, lifelong waterfowler & Owner of T & G Outdoors has merged with Stillwater Outfitters. Travis has recently retired as a professional umpire to continue to pursue his life long dream in the outfitting industry. After nineteen years in the business I look forward to the renewed passion & energy Travis brings to Stillwater Outfitters. Look for Travis's bio and learn more about him on the Meet the Guides page at www.stillwateroutfitters.net.

We currently have several prime duck & goose hunting properties available for you to lease for the 2008 season. The demand on sub-leases has increased dramatically over the past few seasons, so don't hesitate to call or email for additional information.

Nebraska Archery... There are four spots available in either October or November for archery hunters for Mule Deer or Whitetail Deer available at our Nebraska Deer Camp in 2008. Kansas/Nebraska Spring Turkey

Kansas/Nebraska Spring 2008... It was an amazing spring turkey season in Kansas & Nebraska in 2008. Hunters from Colorado, Illinois Iowa, Kansas, Minnesota, Nebraska, & Utah experienced the best season yet with Stillwater Outfitters. The turkey numbers, thirty miles of creek bottoms, and some patience proved to be the recipe for success in 2008. Thanks to all of you that hunted with us this past spring and we look forward to hearing those thundering gobbles with you again in Spring 2009!!!
